Experiences

RUGGEDISED Innovation processes have been different

- Technology has been to help
- Collaboration has been key

Support structures – create opportunities

- Urban Innovation Platforms
- Urban Data Platforms

Gender Diversity – increases variety of solution approaches

RUGGEDISED – What has it been?

- Testing and implementing solutions to **wicked problems** for Smart Cities
- **Public and Private** partnership **within** Cities
- **Europe-wide** endeavour with support roles of
 - AIT, ISINNOVA, RISE, TNO – Research Organisations
 - ICLEI – Network of Local Governments
- **Diverse** – governance cultures, gender, approaches to find solutions, ...
- **Not all 32 Smart Solutions could be successful**

Europe-wide

Public-Private Incubator

for Climate Neutral Cities
