

P2P Learning Programme

An opportunity from
Scalable Cities

Ghazal Etminan

AIT & Scalable Cities

Launch of Peer-to-peer calls for expert review, expert mission and host cities

Information

Secretariat

P2P Learning programme

About

The **P2P Learning** programme aims to accelerate the knowledge exchange between cities on **good and bad practices** including the lessons learnt, and to provide expertise to **replicate successful demonstrators** and create more impact. The support to cities can be provided through **three types of P2P activities**:

**EXPERT
REVIEW**

**EXPERT
MISSION**

**SITE
VISITS**

P2P Learning programme

EXPERT REVIEWS

support **cities** in

- the preparation of **key strategic documents for their innovation** initiatives.
- receiving **insights of an external experts' advice on the document**.
- The expert will do **a remote review** of the document

More information:

- [Expert Review | Smart Cities Marketplace \(europa.eu\)](#)

EXPERT MISSION

support **cities** that are

- **facing challenges** in implementing specific goals toward a smart city an opportunity.
- The beneficiary cities will **receive individualised technical and/or strategic advice from an experienced expert** on a concrete initiative with the objective to overcome barriers, define future strategies and solve problems

More information:

- [Expert Mission | Smart Cities Marketplace \(europa.eu\)](#)

SITE VISITS

promote

- the **exchange of best practices**, policies and solutions between cities through an **on-the-field visit** and direct exchange between **one Host City and up to five Visitor Cities**.
- a platform for cities that are leading important initiatives to showcase them to other peers and share their experience on a concrete domain.

More information:
